

PRODUCT DATA SHEET

Product group: COLOP Printer Line
Product names:

Product name	Handle colour	Pad colour	Imprint size [mm]
Printer Q 43	black	black	43 x 43

Product description: The largest model in its category is Printer Q 43 with a square imprint sized 43 x 43 mm. The open construction allows the user to place the imprint exactly for individual messages up to 10 lines. The stamp is available in 3 different casing colours black, red or blue. The square imprint is more eye catching than e.g. rectangular imprints.

Ink: Pigment water based ink
